Dear Mr. Chairman:

I am responding to your request of Secretary Baker for views on H. Con. Res. 171, the proposed Sense of the Congress resolution relating to the rescue of Ethiopian Jews and the current famine in Ethiopia.

We agree with the basic thrust of the resolution. However, there are several passages which need to be updated because the fighting has ceased in Ethiopia. The fifth paragraph of the preamble which states, "Whereas the lives of Ethiopian Jews waiting to join their families in Israel are imperiled by the civil war in Ethiopia;" should be deleted. In paragraph six of the preamble, we recommend deleting the phrase, "in war zones have not been rescued." Again, because the war has ended. Thus, the paragraph would read: "Whereas several thousand Ethiopian Jews and millions of other Ethiopians remain at risk because of famine and a civil war that has ravaged that nation for decades." Also, operative paragraph (4)(A) should be eliminated as the civil war has ended.

We also recommend substituting current operative paragraph (4)(C) of the resolution, because the Ethiopian government leaders have told us they have no objection to Ethiopian Jews emigrating. We do not believe that we should imply there is an emigration problem until it is shown that one exists. We recommend the following substitution: (would be operative (B) if (4)(A) is eliminated as we suggest.)

(B) The United States should encourage the Ethiopian government to maintain its policy of free emigration of Ethiopian Jews.

The Office of Management and Budget advises that from the standpoint of the Administration's program, there is no objection to the submission of this report.

Sincerely,
